

# CONNECT to the Center for Health Market Innovations Network

The world's most comprehensive resource on market-based health innovation is at [HealthMarketInnovations.org](http://HealthMarketInnovations.org).

## BENEFITS

### FOR DONORS AND INVESTORS SUPPORTING INNOVATIVE HEALTH PROGRAMS

**Get free, up-to-date information about innovative private health organizations:** Search profiles of more than 1,000 programs in over 100 countries by categories including: Health focus (such as maternal and child health, TB, HIV, or chronic diseases); Country of operation; Information technology employed; and Legal status (for-profit, nonprofit, public-private partnership, or government).

**Discover programs that have an impact:** CHMI encourages programs to report publicly on their results. View quantifiable measures of performance across dimensions like quality, utilization, efficiency, and sustainability.

**Connect with health innovators:** Contact innovators running health programs profiled on CHMI. After joining CHMI at [HealthMarketInnovations.org](http://HealthMarketInnovations.org), view program profiles, then send messages directly to managers.

**Meet innovators through CHMI's in-country partners:** CHMI partners can often provide donors and investors with the latest information on cutting-edge health programs. Many partners work to forge partnerships between innovators, donors, investors, and others providing assistance.

**Maximize the impact of your support:** Encourage the innovators you fund to use CHMI. The platform offers managers global visibility and the ability to learn from and connect with others.

**"I had read about [a health chain] in an IFC report but couldn't find more information anywhere. Then I found CHMI. We used the information in the profile to initiate a conversation. The fact that I got a reply was amazing. We started talks with the chain's manager."**

## WHO WE ARE

**Center for Health Market Innovations (CHMI)** promotes policies and practices that improve privately delivered health care for the poor in low- and middle-income countries. Operated through a global network of partners since 2010, CHMI is managed by the Results for Development Institute. Details on more than 1,000 innovative health enterprises, nonprofits, public-private partnerships and policies can be found online at:

## WHAT WE DO

### > INFORM

We provide comprehensive, up-to-date information about innovative programs and policies.

### > ANALYZE

We identify promising practices that can be scaled-up or adapted in other countries.

### > CONNECT

We connect people implementing, funding, and studying innovative programs to translate good practices and encourage innovative programs to scale.

## How can you participate?

Here's how you can get the most out of CHMI

- 1 USE CHMI TO IDENTIFY HEALTH PROGRAMS TO SUPPORT:** View profiles of more than 1,000 programs in more than 100 countries by categories such as health focus, legal status, and technology used. Then register with CHMI to send them a message and start a dialogue.
- 2 ENSURE THE HEALTH PROGRAMS YOU SUPPORT HAVE COMPLETE, UP-TO-DATE PROFILES ON CHMI:** Ask programs to submit annual updates to participate in all the opportunities CHMI offers.
- 3 ENCOURAGE THE HEALTH PROGRAMS YOU FUND TO REPORT ON THEIR PERFORMANCE:** Programs regularly reporting statements on their performance are more likely to be featured prominently in CHMI reports and throughout the CHMI website.
- 4 TELL US WHAT YOU'RE LOOKING FOR:** CHMI can help you identify programs in your area of interest. Contact us at [chmi@resultsfordevelopment.org](mailto:chmi@resultsfordevelopment.org) if you're interested in learning more about health market innovations in low- and middle-income countries around the world.
