

## Learn and Launch Frequently Asked Questions

**Question:** *Will the travel costs for attending the in-person kick off meeting be covered by CHMI, or will we be expected to cover our own costs?*

**Answer:** CHMI will cover the attendance and travel costs of one representative per organization—this amount is in addition to the small implementation grant the organization will receive. If the organization would like to send more than one representative, they will need to cover the additional costs of travel. CHMI will provide support in arranging travel and visa letters for each organization.

**Question:** *When and where will the kick-off meeting be hosted?*

**Answer:** Exact dates and locations for the kick-off meeting will be determined based on final programs selected and their availability. Kick-off meetings will take place between the first and third week in November. Please be sure to indicate in your application the dates your program will be unavailable in November.

**Question:** *Can programs apply as a partnership for this opportunity?*

**Answer:** Please complete a single application per program. If there are other applicants you would like to learn from during the activity, you are welcome to note this on your application. However, the ultimate composition of each collaborative will be determined by CHMI. Applicants are not guaranteed to be matched with partners of their choice and should be open to working with programs across the CHMI network.

**Question:** *Can programs at any stage of their operations—pilot, post-launch etc.— apply for this learning initiative?*

**Answer:** Yes, we welcome applications from all types of programs. However, programs that are likely to benefit most from this learning initiative are organizations that have already launched their operations and are in their early expansion phases.

**Question:** *How can programs check their program profile status and get a gold badge?*

**Answer:** To see your CHMI Plus status, log in to your CHMI program profile. In order to achieve gold status, you may need to update your program profile with more information about your program. For support on this, please refer to [this](#) page. If you cannot access your CHMI program profile, please contact [ccharchi@r4d.org](mailto:ccharchi@r4d.org) for assistance. Please note: only programs with up to date program profiles will be considered for this learning opportunity.

**Note:** Unfortunately this initiative is unable to support the following as participants:

- a. Programs working in a developed world context
- b. Public hospitals
- c. Accelerator programs

*If you would be interested in becoming involved in Learn and Launch, but you are NOT a CHMI program submitting an application, please email Rachel Neill at [rneill@r4d.org](mailto:rneill@r4d.org)*
