Public Private Partnership Initiatives in PHC(N) Management

NYSASDRI & Health Dept., Govt. of Orissa's joint management of two PHCs(N) under Public Private Partnership modus at

* Atta village of Sukinda Block, Jajpur district

* At Khankira village of Gondia Block, Dhenkanal District

After a rigorous groundwork of policy advancement for Govt’s hand over of PHC(N) to NGO NYSASDRI, MoUs were signed between Jajpur & Dhenkanal district administrations on 28th October 2005 & 1st Jan 2006 respectively.

Services were commenced from 2nd Jan 2006 at Atta & 6th Feb 2006 at Khankira.

PHCs (N) runs through Hospital Management Committees representing members from Block CHC, PHC (N) team and other community leaders.

Govt. shares infrastructure, existing human resources & monitoring of PHC (N) activities.

NYSASDRI shares essential renovation of building, equipments, medicines, man power where ever was the vacancies & other logistics.
